1/3 SONY CCD - NTSC CVBS
Angle: D=110°, H=88°, V=66°

GEBRUIKSAANWIJZING MANUEL MANUAL

CAMERA SETUP

Create two lines in the length of your vehicle.
Put the parking lines exactly on top of those lines.

By selecting the symbol "N" you can move the bottom of both lines towards or from your vehicle.

By selecting the symbol "F" you can move the upper part of both lines closer or wider from your vehicle.
